**TUITION PAYMENT PLAN:** As previously stated, all tuition and fees are due upon registration. However, for those students who wish to pay charges on a monthly basis, the Conservatory offers an in-house Tuition Payment Plan for a fee of \$25 per semester. Tuition and fees for each semester will be divided into four equal payments, due at the beginning of each month. There is a \$25 late fee charged for all payments submitted after the 5<sup>th</sup> of the month. If you would like more information on this plan, please contact Ruby Gill in the Business Office at [rgill@sfcm.edu](mailto:rgill@sfcm.edu). **The first installment for the 2009-2010 academic year is due August 27<sup>th</sup>, 2009.** Please notify the business office before fall registration if you plan on enrolling in tuition payment plan.

**LATE CHARGES:** A late examination fee of \$30 will be charged for each placement examination taken outside of the scheduled examination time.

A late registration fee of \$75 will be charged for any registration during the first week of classes, plus an additional \$50 per week or partial week thereafter. Any returned check will be assessed the \$75 late fee in addition to a non-sufficient funds (NSF) charge of \$25.

**REFUND POLICY:** Any student wishing to withdraw from the Conservatory must file a form available from the Business Office. **Tuition refunds will be calculated from the last day of class attendance, or the day the student initiates the withdrawal through the Business Office.** If a student has been enrolled for more than 60% of the term, the student is not eligible for a reduction in tuition or fees. For more information, please refer to the school catalog under Withdrawals and Refunds.

No refunds will be made to students who are dismissed from the Conservatory for disciplinary reasons.

**CAUTION: Students arriving from out of town must plan their finances carefully.**

To open a new account, most San Francisco banks require three things: a state driver's license or an identification card (international students can use their passports as a form of ID); a credit card such as VISA, MASTERCARD or AMERICAN EXPRESS; and a minimum deposit (Deposit amounts may change for different banks-starting from \$1.00). The bank may also put up to a 15-day hold on any deposits made by check to a new account. The Conservatory deposits all payments promptly and any returned funds will be charged the applicable late registration and non-sufficient funds fees. Please plan ahead for your tuition needs as well as for living expenses.
